

Product Picture	Product Name	Product Code	Description
	Solder wick 1515	Karlie0061	It is used for remove excess solder The width is 1.5mm, the length is 1.5m There are many other sizes If you need it please contact with sales
	Solder wick 2015	Karlie0062	It is used for remove excess solder The width is 2.0mm, the length is 1.5m There are many other sizes If you need it please contact with sales
	Solder wire	Karlie0063	Working temperature: 210℃ Scope of application: Household appliance repair Diameter: 0.8mm
	366D solder sucker	Karlie0064	It is used in electronic and electrical equipment maintenance Suction force: 35 cmHg
	Electric heating solder sucker	Karlie0065	Power supply: 220v 50hz Power: 30w
	Soldering kit (A)	Karlie0066	Low power welding tool, suitable for fine welding or home DIY repair
	Soldering kit (D)	Karlie0067	Low power welding tool, suitable for fine welding or home DIY repair

	Soldering kit (J)	Karlie0068	Low power welding tool, suitable for fine welding or home DIY repair
	Soldering kit	Karlie0069	Low power welding tool, suitable for fine welding or home DIY repair There are another color-blue
	Soldering Iron Head Cleaner	Karlie0070	No water needed Faster working cycle It has better cleaning effect than conventional sponges It won't damage your soldering tips
	XG-Z40 Solder paste	Karlie0071	It is widely used for mobile phone repair, SMT soldering, LED soldering, computer motherboard and home appliance repair and so on Please noted this product is paste!!!
	XG-50 Solder paste	Karlie0072	It is widely used for mobile phone repair, SMT soldering, LED soldering, computer motherboard and home appliance repair and so on Please noted this product is paste!!!
	RMA-223-UV Solder paste	Karlie0073	It is used for smd rework, and the product is lead free
	Neutral solder paste	Karlie0074	Neutral PH value, Strong insulation, Smooth welding surface Non-corrosive to IC and PCB

	Soldering tools	Karlie0075	<p>It is used for soldering assembly and repair work on printed circuit boards (PCBs)</p> <p>The product has many uses as follow</p> <p>Remover, Fork, Chip hold, Knife, Scuaper, Reamer, Hook, Needle, Brush</p>
