

Product Picture	Product Name	Product Code	Description
	12V/24V 12A/10A Battery Charger Smart Fast Charging	Lillie0061	Automatic charging protects your battery from being overcharged. So you can leave the charger connected to the battery indefinitely.
	12v/24v Fully Automatic Battery Charger	Lillie0062	This is a fully automatic battery charger with 7 charge stages.
	Anhtczyx 12V5A motorcycle car battery charger	Lillie0063	One-button repair for activating the battery
	12V 6A Touch Screen Pulse Repair LCD Fast Power	Lillie0064	Solve battery power deficit, charging large internal resistance and other problem using high and low frequency pulse technology, let your battery look brand-new.
	BT300 12V 24V Car Motorcycle Battery Tester	Lillie0065	2.4-inch TFT color screen for clear, easy-to-read results.
	LiitoKala Lii-S12 18650/21700/26650/9V Battery Charger	Lillie0066	It can simultaneously charge twelve 21700 batteries. Each of the 12 slots can receive a current of 500mA.
	LiitoKala Lii-M4 Battery Charger	Lillie0067	Multi-Functions MCU Controller-smart and safe Charger and Test Analyzer
	LiitoKala Lii-S8 Battery Charger	Lillie0068	it can hold 8 21700 batteries at the same time. Moreover, each of 8 slots can get 1000mA charging current.

 <p>LIITOKALA Lii-600 SMART CHARGER 12V/6A Adapter 4 Modes 1. CHARGE 2. DISCHARGE 3. TEST 4. REPAIR</p>	LiitoKala Lii-600 Battery Charger	Lillie0069	Various protection functions, overcharge and overdischarge, short circuit, temperature, 0V voltage activation function, intelligent identification of bad battery and reverse battery detection protection.
 <p>LiitoKala Lii-PD2 SMART CHARGER</p> <p>DC 12V AC 110/240V output current 0.5,1.5,2.5A Color box Power cord</p> <p>LiFePO4 Ni-MH/Cd Li-Ion IMR</p>	LiitoKala Lii-PD2 Battery Charger	Lillie0070	LCD Display of all datas in one screen : batt-type/voltage current/percentage/time/capacity.
	Lifepo4 14.6V Battery Charger	Lillie0071	The Li 14.6V 20A LiFePO4 lithium battery intelligent charger is designed specifically for 12.8V LiFePO4 batteries.
	12V Double Wire Large Clip Lead-acid Battery Charge	Lillie0072	Connect the battery without plugging in the power supply, saving battery residual voltage
 <p>Hiyiton 3 AMP BATTERY CHARGER 6V/12V Car Battery Charger</p> <p>1 YEARS WARRANTY</p>	6V 12V 3000mA Car Motorcycle Smart Battery Charge	Lillie0073	Suitable for 6V/12V motorcycle, car, and deep-cycle batteries including AGM, SLA, and WET types.
 <p>iMAX B6 80W Battery Charger</p>	iMAX B6 80W Battery Charger	Lillie0074	The iMAX B6 80W features microprocessor controlled precision for safe and efficient charging of your RC batteries.
 <p>iMAX B6AC+ Battery Charger</p> <p>14.6mm/0.7inch 10mm/0.4inch AC cable XT60 to XT60 XT60 to XT60 XT60 to XT60</p>	iMAX B6AC+ Battery Charger	Lillie0075	internal cell voltage balancer built-in for lithium ion and lithium polymer batteries so you don't need an extra balancer.
