

| Product Picture | Product Name | Product Code | Description |
|--|---------------------------|--------------|--|
|  <p>Technical drawing of a white rectangular project box. Dimensions: 120mm (width), 200mm (depth), 75mm (height). The front panel has a 76mm wide opening with a 173mm high cutout. The top panel has a 15mm wide flange.</p> | Project box 200*120*75mm | Teresa0085 | Material: ABS External Size:200*120*75mm Color :Gray Function: Waterproof Dustproof Application: Outdoor Electronic Equipment |
|  <p>Technical drawing of a white rectangular project box. Dimensions: 120mm (width), 200mm (depth), 55mm (height). The front panel has a 96mm wide opening with a 177mm high cutout. The top panel has a 15mm wide flange.</p> | Project box 200*120*55mm | Teresa0086 | Material: ABS External Size: 200*120*55mm Color :Gray Function: Waterproof Dustproof Application: Outdoor Electronic Equipment |
|  <p>Technical drawing of a small white rectangular project box. Dimensions: 58mm (width), 65mm (depth), 35mm (height). The front panel has a 32mm wide opening with a 32mm high cutout. The top panel has a 10mm wide flange.</p> | Project box 65*58*35mm | Teresa0087 | Material: ABS External Size:65*58*35mm Color :Gray Function: Waterproof Dustproof Application: Outdoor Electronic Equipment |
|  <p>Technical drawing of a small white rectangular project box. Dimensions: 68mm (width), 100mm (depth), 50mm (height). The front panel has a 42mm wide opening with a 73mm high cutout. The top panel has a 14mm wide flange.</p> | Project box 100*68*50mm | Teresa0088 | Material: ABS External Size:100*68*50mm Color :Gray Function: Waterproof Dustproof Application: Outdoor Electronic Equipment |
|  <p>Technical drawing of a white rectangular project box. Dimensions: 120mm (width), 200mm (depth), 108mm (height). The front panel has a 76mm wide opening with a 173mm high cutout. The top panel has a 48mm wide flange.</p> | Project box 200*120*108mm | Teresa0089 | Material: ABS External Size:200*120*108mm Color :Gray Function: Waterproof Dustproof Application: Outdoor Electronic Equipment |
|  <p>Technical drawing of a white rectangular project box. Dimensions: 90mm (width), 158mm (depth), 60mm (height). The front panel has a 67mm wide opening with a 134mm high cutout. The top panel has a 20mm wide flange.</p> | Project box 158*90*60mm | Teresa0090 | Material: ABS External Size:158*90*60mm Color :Gray Function: Waterproof Dustproof Application: Outdoor Electronic Equipment |
